Electrical Diagrams

Power Management Module (PMM): Enclosure containing the charge controller and power switcher.
Short battery harness: Connects battery to multiple battery harness or other load cable.
Short 5-pin/3 battery: Connects primary and rechargeable batteries to PMM.
Battery harness connects 2: Connects 2 rechargeable batteries together.
Battery harness connects 10: Connects 10 primary battery packs together.
Battery harness connects 8: Connects 8 rechargeable batteries together.
